Forecast for Sunday 30 May 2021

Weather: Sunday is fine and settled day, with any early morning cloud and mist soon clearing. Dry with a plentiful supply of sunshine across the Brecon Beacons, allowing temperatures to rise readily during the afternoon. Continuing dry with largely clear skies into the evening.

Chance of cloud free mountain/hill tops above 600m: 100% chance throughout

Visibility: Generally very good with distant hills clearly visible from the summits. Any early morning mist across low lying ground will very quickly clear.

Meteorologist's View

UV levels will be high to very high during the weekend, therefore extra protection (sun screen) will be needed for spending any length of time on the hills and walking through the valleys.
